

# MAKE PAYMENTS PROFITABLE

**Premier + Priority have partnered to offer members streamlined electronic payables solutions that:**

- + Processes all of your payment types from a single payment instruction
- + Works with any bank or ERP
- + Drives discounts, rebates and incentives back to your organization
- + Enhances data & reporting
- + Automates manual processes & reduces errors while maximizing fraud protection
- + Improves cash flow and supplier relationships

## GET READY...

### Mutual Non-disclosure Agreement

Execute a simple MNDA so we can discuss your organization's needs, goals and objectives to ensure alignment and understanding.

### Supplier Spend Information

Share your spend information so Priority can deliver a detailed analysis and customized payment strategy that is best suited for your organization and your suppliers.

## GET SET...

### CPX Services Agreement

Confirm alignment on the recommended strategy and execute the CPX agreement.

### Single Payment Instruction

Use the dynamic CPX mapper to create a custom payment instruction for your organization in 5 minutes!

### Supplier Activation & Outreach Campaign

Review and approve endorsement letters for your suppliers and identify sensitive suppliers to omit from the activation campaign.

## GO!

### Start Automating Payments & Earning Rebates

Time is money! The sooner you start the faster your organization will profit from CPX.

For every \$1,000,000 in AP spend, you could earn up to \$17,000 in rebate
